**REPLY TO DEFENDANTS RESPONSE TO PLAINTIFF TEXAS ASSOCIATION OF HISPANIC  
COUNTY JUDGES AND COUNTY COMMISSIONERS (HJ&C) MOTION AND BRIEF IN  
SUPPORT OF BEING DECLARED PREVAILING PARTY ENTITLED TO ATTORNEY FEES**

Defendants response to plaintiffs’ motion for attorney fees (ECF 1142) is based on three false arguments: That the Plaintiffs did not satisfy either of the two distinct tests for identifying a prevailing party developed by the Fifth Circuit – the *Petteway* requirements and the *Dearmore* requirements. (ECF 1196). The private Plaintiffs have filed a *Consolidate Reply Brief* addressing the first two issues raised by the defendant concerning *Petteway* and *Dearmore*. The HJ&C adopts the arguments made in the private Plaintiffs’ *Consolidated Reply Brief*. Moreover, besides being individual voters, the HJ&C, as the elected county officials, charged with conducting the Texas election process, implemented the relief imposed by the *en banc* court to remedy the violation of Section 2, *Veasey v. Abbott*, 830 F.3d 216, 272 (5th Cir. 2016) (*en banc*) (“*Veasey I*”); in doing so, the HJ&C plainly obtained the “judicially-sanctioned-relief” following a final decision—affirmed by the *en banc* court—on the merits of their Section 2 claim, *Petteway v. Henry*, 738 F.3d 132, 137 (5th Cir. 2013)

Assuming this Court finds that the HJ&C is a prevailing party, Defendants, in their third argument, attack the reasonableness of the hourly rate and amount of time claimed by the HJ&C. They conclude as follows:

Based on the appropriate hourly rate, \$155,732, and the reductions calculated using these rates, \$90,246.40, the State Defendants request the Court award Rios no more than \$65,485.60. In the unlikely event that the Court finds that the hourly rates requested by Rios are appropriate, the Court should reduce the total fee requested by Rios (\$220,269.29) by \$134,624.61 and award Rios no more than \$85,644.68. (ECF 1196 at 81)

The HJ&C will address each argument:

**A. HOURLY RATE:** The reasonableness of Mr. Rios' requested hourly rate:

*First*, Defendants claim that the affidavit provided by attorney Ricardo Cedillo in support of Mr. Rios' requested hourly rate does not include prevailing market rates for the Corpus Christi area. This is not true. Mr. Cedillo's affidavit clearly states that he has knowledge of prevailing rates in the Southern District of Texas which includes the Corpus Christi market and that Mr. Rios should be paid \$613 per hour<sup>1</sup>. Moreover, in the affidavit, Mr. Cedillo clearly states that he reviewed Mr. Rios' time records and found them to be "reasonable and necessary". (ECF 1142-2 p2)

*Second*, Defendants claim that no comparable awards in the Corpus Christi Area; however, this is also not true! There have been similar and higher rates awarded in the Corpus Christi area. For example, in *In re SQLC Senior Living Center*, the rates awarded ranged up to \$735 per hour, *In re SQLC Senior Living Center*, No. 19-20063, Docs. 217-2, 223 (Ex. 1). Likewise, in *In re Autoseis, Inc.*, the court awarded rates up to \$975 per hour for lead counsel. *In re Autoseis, Inc.*, No. 14-20130, Docs. 504, 553 (Bankr. S.D. Tex. 2014) (Ex. 2). And in *In re Sherwin Alumina Co.*, the court awarded fees at rates of more than \$1,000 per hour.

To assist the Court in determining a reasonable rate, Plaintiffs provided prevailing rates used by the United States Attorneys' Office: see matrix chart at ECF 1143-1 p13. The matrix provides the Court with and objective, consistent basis for determining fees based on years of legal experience and accords with local market rates. Finally, see also Plaintiffs *Consolidated Reply Brief* on the issue of the reasonableness of our

---

<sup>1</sup> The \$525 stated in earlier in the affidavit was clearly a typo.

requested rate for the Corpus Christi Area.

*Third*, as pointed out by the federal courts, one of the most important factors in considering the fee award is the experience, reputation, and ability of the attorneys. Most fee scales reflect an experience differential with the more experienced attorneys receiving larger compensation; “An attorney specializing in civil rights cases may enjoy a higher rate for his expertise than others”, *Johnson v. Ga. Highway Express, Inc.*, 488 F.2d 714, 718-19 (5th Cir. 1974)

Mr. Rios has over 40 years’ experience specializing in federal voting rights litigation; he has been involved in over 250<sup>2</sup> federal voting rights cases throughout Texas and the Southwestern United States. As Litigation Director for the Southwest Voting Right Project, Mr. Rios, acting as a “private attorney general” started enforcing Section 5 and Section 2 of the Federal Voting Rights Act in 1978 when the Act was expanded to cover Texas:

"In instituting the case sub judice, plaintiffs have served in the capacity of ‘private attorneys general’ seeking to enforce the rights of the class they represent. If, pursuant to this action, plaintiffs have benefited their class and have effectuated a strong Congressional policy, they are entitled to attorney fees regardless of defendants' good or bad faith.” *Wallace v. House*, 377 F. Supp 1192, 1205.

Mr. Rios has continued that practice till the present. He has been recognized as an expert in the area of the law and been awarded the rate he has requested, to wit: “the Court finds no basis for reducing the attorneys’ hourly rates” for Mr. Rios, *See Davis v. Perry*, 991 F. Supp. 2d 809, 845 (W.D. Tex. 2014),

Given the specialized and years of experience in Federal Voting Rights, and as recommended by the US Attorney’s office, further supported by the sworn to affidavit of Attorney Cedillo and the authorities cited in the Plaintiffs *Consolidated Reply Brief*, the fee rate of \$613 is reasonable, justified, and should be granted.

## B. HOURLY RATE FOR TRAVEL

Defendants challenge the **hourly rate for travel**:

The 58.5 travel hours reflected in Defendants response is inaccurate (ECF 1196, A-1). The actual travel time was 33.5 hours; the entries in the time sheet *inadvertent did not segregate* the travel time from legal work time (ECF 1142-1 p13-15). Here are how the entries should be corrected:

Entries on time sheet when corrected should be as follows:

9/26/2013 RR            8 Travel to Edinburg; confer with clients; travel back to SA<sup>3</sup>

Corrected: Travel = 6 hrs.    Legal work = 2 hrs.

1/6/2014 RR            5.5 travel to Edinburg; confer with clients (Judge Garcia and individuals) travel back to SA; work on draft of Amended

Corrected: Travel = 0 hrs.    Legal work = 5.5 hours<sup>4</sup>

2/11/14 RR            4.5 confer with co-counsel to prepare for the hearing scheduled for 2-12-14 in Corpus C; travel to Corpus Christi

Corrected: Travel to Corpus Christi = 2.5    Legal work = 2 hrs.

2/12/14 RR            4 attend hearing before Judge Ramos; travel back to SAT.

Corrected: Travel back from Corpus Christi = 2.5    Legal work = 1.5 hrs.

6/12/14 RR            17 travel to and from S. Padre Island to brief clients on status of the case (T-13 hrs and brief 4)

Corrected: Travel = 13 hrs.    Legal work = 4<sup>5</sup>

7/14/2014 RR            15 travel to and from Edinburg; defend deposition of Judge Ramon Garcia

Corrected: Travel = 6 hrs.    Legal work = 9 hours<sup>6</sup> (as indicated in time sheet)

---

3 Clearly, Defendants know that it does not take 8 hours to travel to and from Edinburg; it is 200 miles away from San Antonio.  
4 Since the conference was with numerous clients, including the lead Plaintiff County Judge Ramon Garcia, the travel time was clearly not inserted.

5 As clearly indicated in the entry on the time sheet (T-13 hrs.; prepare and brief 4)

6 This was a full day deposition with an attorney from the US Department of Justice participating by phone.

8/2/2014 RR 4.5 travel to and from Corpus Christi: opening arguments

Corrected: Travel = 3.5 hrs. Legal work = 1.5 hours in court.

Therefore, the actual travel time was 33.5 hours and legal work was 25 hours; the chart in the Defendants Response (ECF 1196 p 41) should be as follows:

Name of Attorney/Paralegal	Hrs	Plaintiffs' Proposed Hourly Rate	Total Based on Plaintiffs' Proposed Rate (50% reduction)	Defendants' Proposed Hourly Rate	Total Based on Defendants' Proposed Hourly Rate (50% reduction)
Rios, Rolando	33.5	\$613	\$ 10,267.75	\$400	\$ 6,700.00

### C. EXCESSIVE BILLING:

Defendants challenge 3.3 hours for Rios attending two hearing (ECF 1196 p51) as excessive; these hours include time spent at the courthouse preparing, with co-counsel, for the hearing and making notes after the hearing.<sup>7</sup> This time is clearly compensable and should not be discounted.

Also, Defendants categorize the following as excessive hours without providing any specific reference as to where these hours were excessive:

Excessive hours: <u>Hrs.</u>	Plaintiffs Proposed	Tot Claimed	Def Proposed	Total proposed
Rios, Rolando 79.9	\$613	\$48,978.70	\$400	\$31,960

(see ECF 1196 p52 and 1196 A4)

This is plainly not true. Clearly, without specific references and justification, Defendants, out of whole cloth, seek to strike 79.9 hours from Mr. Rios' billing; the Court should not allow this for the following reasons:

---

<sup>7</sup> Attending hearings for complex Voting Rights cases often involve many plaintiffs and many attorneys; usually, the attorneys confer at the courthouse preparing for the hearing and conferring, after the hearing, to coordinate the prosecution of the case. Therefore, the court should not discount these hours.

*First*, the entries are perfectly reasonable; for example:

9/13/2013 4.5 hrs. Download pleading from DC case and case in Corpus Christi Pleadings - Federal and State - motion to intervene, complaint in intervention; State Complaint, M for preliminary injunction, Memo in support; proposed order.

10/18/2013 1.5 hrs. prepare for and participate in the pc with the court and all parties on rescheduling after gov shutdown the USA; confer with co-counsel review and calendar events

These entries involve the following legal tasks:

1. Motion to Intervene.
2. Complaint in Intervention.
3. Review of State Complaint
4. Motion for Preliminary Injunction
5. Prepare to participate in phone conference with the Court

Given the tasks involved in the entries for 9/13/2013 and 10/18/2013, the 6 hours allocated over a two-day period for these tasks is perfectly reasonable. The Defendants offer no specific evidence on why the requested time is unreasonable. The Court should not allow the whole sale discount of the reasonable time claimed.

*Second*, again, the defendants wholesale discounting of the 35.9 hours required to address the 1,110 emails received between 8/4/2014 and 10/15/2014 (see ECF 1196 A4p3); they are clearly reasonable and justified, see attached Verified Exhibit A<sup>8</sup>. The attachment lists all the emails received between 8/4/14 and 10/15/2014. The 35.9 hours claimed to review and conduct the needed tasks to address the 1,110 emails (ECF 1196 A4 p3) are reasonable as follows:

35.9 hours x 60 minutes per hour = 2,154 minutes; 2,154 minutes divided by 1,110 emails = 1.9 minutes per email.

---

<sup>8</sup> There were actually 1,163 emails, see attached Verified Exhibit A; nevertheless, we will only claim the 1,110 emails asserted in our original filing.

Clearly, a request of 1.9 minutes to address each email is perfectly reasonable. Moreover, note that on 8/29/2014 there were 67 emails; on 8/22/14 there were 62 emails.<sup>9</sup> On these two days the time spent on emails was 2.1 hrs. on 8/29/2014 and 1.9 hrs. on 8/22/2014. Clearly, this is a very reasonable claim for this time and should not be discounted.

**D. CONCLUSION:**

The only reduction that the Defendants might have justified was the following: the 33.5 hours travel time documented above. Accepting the Defendants reduction for travel time amounts to 33.5 x 613 divided by 2 amounts to \$10,267.75 (see p4 above); therefore, the total claimed by Mr. Rios is \$220,923.66 - \$10,267.75 (discounted for travel) = **\$210,655.91**.

The Court should award no less than **\$210,655.91** as total fees and cost for the prosecution of this case by attorney Rios on behalf of the Texas Association of Hispanic County Judges and Commissioners.

DATED: February 7, 2020.

Respectfully Submitted,
